

**Please mark your
calendars for this
important event!**

Thursday, March 20

CMI Music Room

3:30 - 5:30 p.m.

One of our students needs help: Please attend our bone marrow match event!

CMIPCS is partnering with the not-for-profit organization Be The Match to hold an event for a CMIPCS student who is in desperate need of a bone marrow transplant. We invite the CMI community – as well as the broader community – to this event to complete paperwork, gather information on becoming a donor, and receive a DNA swab to determine any matches for our student. Please mark your calendars for this very important event, and be sure to distribute this information to your friends and family!
