Washington DC, March 01, 2024 – Immerse yourself in the rich flavors of Ethiopian cuisine and the vibrant ambiance of Eatopia Eatery, strategically located in the historic U Street district of Washington DC. Founded by esteemed Ethiopian DJ, DJ Phatsu, and seasoned restaurateur Eden Yimer, Eatopia offers a sophisticated culinary experience like no other.

We are delighted to announce the launch of our latest culinary innovations at Eatopia Eatery. Our Ethiopian Tapas Menu, meticulously crafted to reflect the essence of Ethiopian culinary traditions, promises an unforgettable dining experience. Complemented by a selection of bold spices and authentic ingredients, each dish embodies the spirit of Ethiopian gastronomy.

In addition to our renowned tapas menu, we are introducing a Plant-Based Buffet every Wednesday, catering to the growing demand for plant-based options. Furthermore, our pioneering Ethiopian Brunch experience on Saturdays and Sundays marks a significant milestone in bringing the diverse flavors of Ethiopia to the DMV area.

Guests at Eatopia can savor our handcrafted signature cocktails, curated by esteemed lead bartender, Engidawork "Engi" Alebachew. Engi's expertise in mixology ensures that each cocktail is a harmonious blend of flavors, adding to the overall dining experience.

Inspired by the cultural exchange between Washington DC and Addis Ababa, Eatopia Eatery presents "Inspire" – an exclusive menu paying homage to influential figures from both cities. This curated menu will be unveiled during our grand opening, adding a touch of sophistication and cultural significance to the event.
